TheQwikFix turns home inspection reports into quotes for repairs from licensed contractors who can get the job done before or shortly after closing.

www.theqwikfix.com

Quote is based on limited information from the reports submitted. In rare cases the estimate needs to be adjusted to compensate for different issues or worksite conditions.

Minimum charge of \$500 is required

Work is being completed by licensed contractors that are part of the QwikFix network. If you need specific information regarding the contractors please email support@theqwikfix.com.
